Free pre configuration offer on all new PC's & laptops

If you buy a new PC or Laptop you can have it configured prior to delivery or colllection (FREE OF CHARGE ! worth £40). Please let us know at the time of ordering if you would like this carried out. This service includes the initial configuration of Windows (with your requested usernames), creation of any master restore disks that may be required, configuration of Antivirus, and transfer of files from your old computer if available.

Contact us and we will try to find a suitable PC/Laptop for your budget or needs.

Is your PC or Laptop running slow ????

This is a common sign of a potential spyware/virus problem on your Computer. Dont delay, get it seen to to avoid loosing your data or worse, you cash from your bank or credit card !!!
